

Remove spaces from files and folders

```
$path = "Set path per location"
```

```
Get-ChildItem $path -File -Recurse | Where-Object { $_.Name.Contains(' ') } | Rename-Item -  
NewName { $_.Name -replace ' ', '' }
```

```
$folder = "set path per location"
```

```
get-childitem $folder -Recurse -include '* *' | rename-item -newname { $_.name -replace ' ', '' }
```
